

ANEXO 1. Evolución del Índice de Competitividad Internacional de Chile

Competitividad internacional: Este se refiere al nivel de competitividad internacional de Chile en el mundo. Este se refiere al nivel de competitividad internacional de Chile en el mundo. Este se refiere al nivel de competitividad internacional de Chile en el mundo. Este se refiere al nivel de competitividad internacional de Chile en el mundo.

| Variable | Unidad | Año | Valor |
|--|--------|------|-------|
| 1. Índice de competitividad internacional | | 2000 | 100.0 |
| 2. Índice de competitividad internacional | | 2001 | 100.0 |
| 3. Índice de competitividad internacional | | 2002 | 100.0 |
| 4. Índice de competitividad internacional | | 2003 | 100.0 |
| 5. Índice de competitividad internacional | | 2004 | 100.0 |
| 6. Índice de competitividad internacional | | 2005 | 100.0 |
| 7. Índice de competitividad internacional | | 2006 | 100.0 |
| 8. Índice de competitividad internacional | | 2007 | 100.0 |
| 9. Índice de competitividad internacional | | 2008 | 100.0 |
| 10. Índice de competitividad internacional | | 2009 | 100.0 |
| 11. Índice de competitividad internacional | | 2010 | 100.0 |
| 12. Índice de competitividad internacional | | 2011 | 100.0 |
| 13. Índice de competitividad internacional | | 2012 | 100.0 |
| 14. Índice de competitividad internacional | | 2013 | 100.0 |
| 15. Índice de competitividad internacional | | 2014 | 100.0 |
| 16. Índice de competitividad internacional | | 2015 | 100.0 |
| 17. Índice de competitividad internacional | | 2016 | 100.0 |
| 18. Índice de competitividad internacional | | 2017 | 100.0 |
| 19. Índice de competitividad internacional | | 2018 | 100.0 |
| 20. Índice de competitividad internacional | | 2019 | 100.0 |
| 21. Índice de competitividad internacional | | 2020 | 100.0 |
| 22. Índice de competitividad internacional | | 2021 | 100.0 |
| 23. Índice de competitividad internacional | | 2022 | 100.0 |
